

Dear Chris & all other members of the Board — May 26, 2010

Thank you so much for the donation of \$10000 that you presented to Laina's little library at your May meeting.

I am so gratified that the Neighborhood Association would recognize my work & support the outreach of the library in this way. I do know that the large majority of my little patrons reside in WRVNA,

so your gift is one that gives back right into our own neighborhood.

A large portion of your gift will go for incentives for our Summer Reading Program, and the rest will be split between new books & general operating expenses.

Please know that your support is greatly appreciated! It inspires me to continue to offer this happy, safe place to expose the children in WRVNA to books and reading.

With gratitude — Anniss
